Between peaks and valleys

**4 things to know about Giardino Bed & Breakfast.
And that distinguish it from other accommodations.**

In winter, the Hotel Giardino Mountain delights with a carefree five-star service and everything that goes with it. But when the winter magic fades and summer awakens, the Giardino transforms into a chic Bed & Breakfast. Here you will find the perfect combination of exclusive design and alpine atmosphere – an ideal choice for those who can occasionally do without restaurant visits and star service in the evening. The Giardino Bed & Breakfast offers stylish rooms, a rich breakfast and a fantastic wellness facility. In other words, the best conditions for an adventurous stay in the mountains packed with invigorating hikes, fast-paced bike tours or lively kite surfing. It combines everything you need, just in a relaxed and unconventional way.

Four good reasons to visit Giardino Bed & Breakfast:

The location

Adventure craving

In summer, the Upper Engadine enchants its visitors with an abundance of activities and natural beauty. Once the escape from the city is accomplished, one comes to enjoy the fresh mountain air as well as the beautiful sight of the picturesque region, which the artist Giovanni Segantini regularly depicted in his artworks. The hikes are surrounded by blooming alpine meadows, crystal clear lakes and majestic mountains. Whether kite surfing, sailing or biking - the view of the glittering Upper Engadine lakes and the magnificent nature inspires not only sportsmen. Near Samedan golfers can improve their handicap and demonstrate their skills at the oldest golf club in Switzerland. Cultural events like the Laret market in Pontresina, the Jazz Festival St. Moritz or a barbecue afternoon at the Lej Marsch, invite you to linger. The Upper Engadine in summer is a versatile destination that simply delights everyone with its rich nature and exciting outdoor activities, whether nature lovers, design enthusiasts, sports fans or family gangs.

Rooms

Sleep fit

The Giardino Bed & Breakfast skillfully combines stylish design and a relaxed alpine atmosphere into a perfect symbiosis. The extraordinary thing about the Giardino Bed & Breakfast? Simplicity meets the comfort of a five-star hotel. The stylish interior is characterized by modern elements and designs that convey a unique charm.

The rooms offer comfortable beds, quality linens and all the amenities for a relaxing stay. From cozy double rooms to spacious suites, there is something to suit every taste. Be it on the balcony or on the terrace, the breathtaking view of the magnificent mountain scenery is guaranteed. At Giardino Bed & Breakfast you will experience pure relaxation without compromising on comfort and style.

Breakfast

Strengthening for the hike

The best start to the day for the upcoming hike offers the rich continental breakfast buffet. Enjoy fresh bread, summits and a selection of various cold cuts and cheeses. This is accompanied by freshly brewed coffee, fine teas and refreshing seasonal juices. So all the challenges of the day will be met. Whether you set out on extended hikes or explore challenging trails, you will definitely leave invigorated.

Wellness landscape

Regeneration – in a different way

After an exhausting day of hiking or mountain biking, there is hardly anything better than relaxing in the luxurious five-star spa of the Giardino Bed & Breakfast. Enjoy the comprehensive wellness infrastructure with saunas, pool, steam bath and fitness area, which leaves nothing to be desired. Put your feet up and recharge your batteries. The perfect retreat for bon vivants and explorers.
