A dream comes true

Yes! Ja! Sì! Oui!

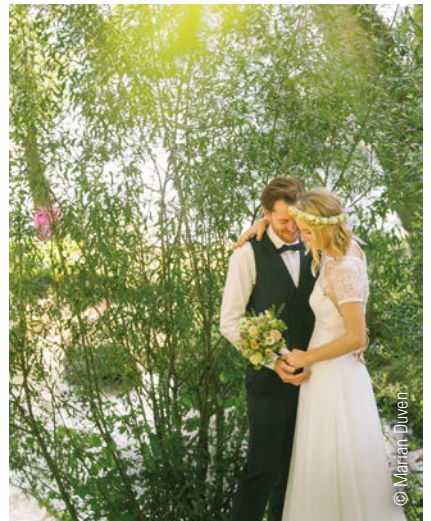

Getting married on Lake Maggiore

If Lake Maggiore were a sea, Giardino Lago would be an island. Water everywhere you look, casual ease, and a modern Mediterranean style make it an extraordinary place.

At Giardino Lago, a wedding is not a party, but a unique event where the couple can simply enjoy the celebration. The friendly service and the individual program create the best mood, and the culinary offerings and the Mediterranean ambiance enchant the senses.

Here's to an unforgettable day that will be talked about for a long time.

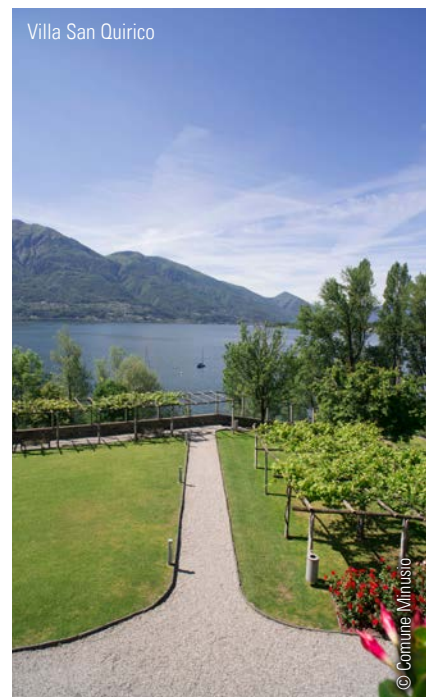

Celebrate your wedding in Minusio-Locarno Ceremony

If you are looking for a wedding venue in Locarno and the surrounding area, our Hotel Giardino Lago is the place to be, as Dolce Vita is part of the wedding program. - Many places authorized by the civil registry office for a civil wedding are located in the nearby area.
- Church weddings are possible, for example, in the sanctuary of Madonna del Sasso in Orselina, San Quirico in Minusio, or the medieval church of San Martino in Ronco sopra Ascona.
- A symbolic wedding ceremony can take place on the terrace or the Roof Lounge, or in Villa San Quirico, as an indoor option.
- The design is entirely according to your wishes, from classic-modern to casual-elegant.

Time for an aperitif And Now?

Let the festivities begin! Start with an aperitif or individual signature drinks at the location Villa San Quirico, or our Roof Lounge. Together with your guests, you toast the eternal bond of marriage with champagne, the finest delicious appetizers, and live music. Cheers – a foretaste of the rest of the day!

In the 14 rooms and the suite in this palazzo on the lake, maritime chic meets Mediterranean casualness on 10 to 30 square meters each. Due to the historic structure, each room in the hotel is unique. And yet something is the same in all of them: the white and turquoise colors set a cool and casual tone, modern glass elements create an open feeling of space, and the fresh design is reminiscent of pleasantly blue summer evenings.

- 15 dream rooms
- One suite, 13 double rooms and one single room
- Lovingly furnished rooms, some with a balcony or terrace

In-house and individual Decoration

The Giardino Group has a team of creative decorators. Whether romantic-playful in boho style, modern, or classic, we will be happy to accompany you on the way to your dream wedding decoration.

- Choose from a variety of possible styles to suit your wedding.
