A DREAM COME TRUE

Getting married on Lake Maggiore

Where the last mountains of the Alps meet the first lemons of Italy lies the legendary Giardino Ascona, a carefree retreat not far from the shores of Lake Maggiore. Surrounded by a Mediterranean park and a touch of dolce vita, big parties and small celebrations are a tradition at the Giardino Ascona, where a wedding is a unique event, or as we say here “una grande Festa”, where the couple can simply enjoy the celebration. The 140 warm-hearted Giardino wedding professionals not only take care of outstanding service, magnificent decorations or excellent food, but also of your very individual wedding wishes – for a completely unique day that will be talked about for a long time to come.
